

Our Mission Statement

The International Cemetery, Cremation and Funeral Association, unique in its diversity of membership and commitment to pre-financed funeral and cemetery services, is dedicated to providing the consumer with better value through open competition.

The ICCFA exists to serve and support our members in order to help them succeed. In support of this, we are committed to:

- promoting the value of selecting and funding funeral, cemetery and memorial products and services in advance of need;
- encouraging our members to promote the celebration of life, remembrance and memorialization; and
- promoting cemeteries as guardians of a nation's heritage and as places of lasting tribute to the memory of those who have gone before us.
- fostering positive consumer relationships by promoting high ethical standards;
- providing services, products and educational opportunities with an emphasis on those resources that members cannot as effectively provide for themselves;
- proactive leadership on legislative, regulatory and legal issues;
- creating mutually beneficial relationships with state, regional, international and allied associations;
- providing members the opportunity for growth and recognition through participation in the ICCFA;

OBLIGATIONS OF MEMBERSHIP

Members of the ICCFA recognize that we have special obligations to the families and public we serve. As "Guardians of a Nation's Heritage," we pledge:

- To care for the remains of those entrusted to us with dignity, respect and professional skill, whether at a funeral home, crematory or cemetery.
- To honor the wishes of the deceased and their family and to serve all families with respect, understanding and confidentiality.
- To administer and safeguard all advance planning and permanent maintenance funds for their lawful and intended purpose.
- To protect and preserve all interment sites and relevant historical data entrusted to us.
- To be guided by the spirit and letter of all applicable laws and regulations set by governing bodies with jurisdiction over our activities in the ownership, management and operation of a funeral home, crematory, cemetery or related endeavor.
